

SILKY VEIL

SILKY VEIL SERIES

All women dream to have natural white and smooth skin.
 "Silky Veil" helps to bring out of your inner beauty and perfect looking skin. "Silky Veil Series" used habitually not only by Japanese, but all over the world!

Instant whitening for the white skin that you aspire to

Silky Veil Bright Pack is instant skin whitening cream. Makes bright skin without spots and dullness. The effect will last for 12 hours so you can use it before going out for special events. It can be used for face, neck, arms and legs. Containing "FULLERENES" and "EGF" which would remove active oxygen, and improve the skin condition.

Bright Pack
NET.100g JPY 1,900

Very easy to use. Apply an appropriate amount to the skin and rub in.

Spread right over the skin and wait for 5 minutes.

Rinse lightly with water.

Whitening foundation for the whole body

Bright Pack is not only for the hands. It is a whitening foundation which can be used on any part of the body including the chest, the upper arms, the legs, etc. Bright Pack covers skin that is exposed by the cut of clothes and tan lines to give natural, white skin.
