## Elixir for perpetual youth handed down from time immemorial!

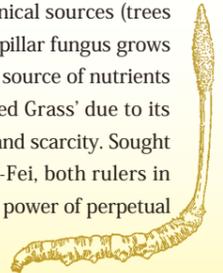

- Analeptic Ailments
- Relieves Fatigue
- Cures Various

### Caterpillar Fungus

1 bottle contains approx. 1500 granules  
(30 - 50 granules per day - approx. 1 month)

JPY 9,000

Caterpillar fungus is exactly what the name suggests - it is a fungus that grows on insects. It is different from ordinary fungi that use botanical sources (trees or grasses) for nourishment. Caterpillar fungus grows using animal protein (insects) as a source of nutrients and is known as the 'Elusive Sacred Grass' due to its astonishing health-giving powers and scarcity. Sought by Qin Shi Huang and Yang Kwei-Fei, both rulers in ancient Qin China, we give you the power of perpetual youth and longevity.

## Shark-liver oil - source of vitality that has survived the ocean depths!

- Squalamine
- EPA
- Circulation

### Deep Sea Shark-liver Oil - a Treasure from the Sea

1 bottle contains 180 capsules  
(3 capsules per day - approx. 2 months)

JPY 4,000

Shark-liver oil is the oil extracted from the livers of sharks who live in the oceans at a depth of between 700 and 1500m. Approx. 25% of a deep sea shark's body weight is its liver of which over 80% is oil. This contains squalane, an ingredient that improves immunity in the body and fatty acids such as Omega 3 (DHA, EPA) and improve sluggish blood circulation as well as demonstrating anti-ageing effects.
