(2 capsules per day – approx. 1 month)

JPY 1,000

I have to get up to the toilet a few times a night...

My bladder feels like it has not emptied completely... Have you ever experienced this? The cause of frequent urination or incontinence is not just aging, it can also be disorder in the body's fluid balance due to stress.

Morene care provides appropriate everyday support for restoration of the body's fluid balance and refreshed mornings.

## Simultaneous support for beauty and joint pain!

- Amino Acids
- Vitamins
- Minerals

### Thoroughbred Placenta Reijun

1 sachet contains 62 capsules  
(2 capsules per day – approx. 1 month)

JPY 3,000

Placenta contains many nutrients. Compared to pig placenta which is generally used in supplements, horse placenta contains 296 times as many amino acids and high quality is achieved by using thoroughbred placenta. In addition, horse placenta contains many nutrients that support health and beauty such as vitamins and minerals.

## Be full of energy every day! Recommended for both men and women!

- Maca Extract
- Black Sesame Sesamine
- Youthfulness

### Macamin

1 sachet contains 90 capsules  
(3 capsules per day – approx. 1 month)

JPY 2,000

Maca, which grows in the abundant natural environment of the Andes, has tenacious vitality that survives in a harsh environment. This is because it unsparingly absorbs the abundant nutrients of the land such as essential amino acids, all kinds of vitamins, minerals and its special ingredient, glucosinolate.

Macamin also contains sesamine which is found in large quantities in black sesame and which has great compatibility with maca! With these two nutrients, maca supports high energy levels for both men and women!
